ANNIVERSARY

Chautauqua Region

COMMUNITY

FOUNDATION

Deeply Rooted

[Annual Report
2008]

A man does not plant a
tree for himself, he plants
it for posterity.

— Alexander Smith

BOARD PRESIDENT

Lyman A. Buck III

Lyman A. Buck III

In 1978 the Chautauqua Region Community Foundation was established as an endowment fund serving the Chautauqua Region. Income from its funds was to be used to support worthwhile educational, social, cultural and civic projects, which met criteria established by its donors and the Board of Directors. Founding members pledged to make certain that the ever-changing needs of the community would be served with flexibility, impartiality and thoughtful consideration.

The first Board of Directors was committed to the vision of the founding members. Records show that in the first year the Foundation supported:

- The Burgeson Sanctuary at Jamestown Audubon
- Amphitheater renovations at the Chautauqua Institution
- Cataloging of the 19th Century painting collection at James Prendergast Library
- Museum exhibit expansion at the Fenton Historical Society

Three decades later, the current members of the Board of Directors continue their unwavering support of worthwhile community projects.

Their pledge to address the changing needs of the Chautauqua Region is illustrated by the 2008 support for:

- The implementation of the Downtown Urban Design Plan
- A county-wide marketing study for Chautauqua County Visitors Bureau
- Funding a Watershed Steward for Chautauqua Watershed Conservancy
- Neighborhood revitalization
- Workforce development through re-education and marketing

*Deeply Rooted and Enriching the Quality of Life
in the Chautauqua Region since 1978*

While reflecting on the past 30 years through the timeline included in this Annual Report, be assured that the Board of Directors is deeply committed to the vision of the founding members and is continually adjusting to reflect the current challenges of the Chautauqua Region.

I was fortunate to get a scholarship when I went to Lehigh University and Princeton. They were both wonderful schools. Somebody was kind enough to spend their money to educate people that they would never get to know. That's what I think philanthropy is about.
