From the rolling country hills to bustling city streets, the Chautauqua region is home to thousands of individuals who have been touched by the generosity of the Chautauqua Region Community Foundation and its donors.

In every community, the Foundation’s Fund for the Region supports programs and initiatives that educate, inspire and engage its residents, as well as, provide an opportunity for them to make a difference for future generations.

For nearly 40 years, the Foundation has been a trusted partner by community members who want to enrich the quality of life in the Chautauqua region.

THANK YOU for being a part of our past, present, and incredibly bright future. We could not do what we do, without your support.

Since 1959, The Resource Center has provided services to people with disabilities and their families. In 1994, TRC Foundation was created to raise money to meet the unfunded needs of people with disabilities or socioeconomic challenges.

In 2017, Denise Jones, Resource Center president and chief executive officer, and Randy Ordines, TRC Foundation, Inc., chair, announced the dissolution of TRC Foundation and the transfer of its $2.2 million in assets to the Chautauqua Region Community Foundation.

The following funds were established at the Community Foundation to continue benefitting The Resource Center and Filling the Gap, Inc.:

**The TRC Foundation Fund**
This fund honors the memories of individuals who have played a significant role in the history of The Resource Center and TRC Foundation, including longtime Executive Director Michael J. Raymond and influential employees such as Freda Eddy, Roger Paganelli and Norma J. Smith, as well as community champions such as Carl Cappa.

This fund provides support to The Resource Center and the Filling the Gap, Inc., network in supporting individuals with disabilities and other socioeconomic challenges and their families.

**The Resource Center Kathy Seastedt “Dream On” Fund**
For 25 years, Kathy Seastedt dedicated her life to helping those in need. The longtime Resource Center employee passed away unexpectedly in 2008.

This fund provides money to assist people with disabilities who have urgent needs such as with their home or vehicle, and medical and healthcare expenses.

**The Resource Center Laurel Run Fund**
Named in honor of Laurel Hotelling, a Silver Creek resident, born with Down Syndrome, the Laurel Run has been an annual two-day event in Chautauqua County since 2001.

Although Laurel passed away on November 13, proceeds from the race will continue to support community awareness, prevention services, employment and training support for individuals with disabilities.

**The Resource Center Look Good Fund**
Today, TRC serves thousands of people with disabilities and their families. It has also grown to become one of the county’s largest employers. In 2001, Margaret Look made a donation to create a fund that would allow people with disabilities the opportunity to enhance their personal appearance, purchase new clothes, or obtain other items needed on an urgent basis.
The Resource Center Working on Wonders Fund
When Mark Pacheco, an Assistant Manager at one of the homes The Resource Center operates in Jamestown, was killed in 2010, his friends and family came together to create The “WOW” Fund. Standing for Working on Wonders, this fund allows individuals with disabilities to experience a WOW moment, something fun and exciting, and something they will always remember.

The Resource Center Excellence Awards Fund
Each year, The Resource Center recognizes the achievements of individuals with disabilities and the staff, community members, volunteers and businesses that support them.

Over 400 submissions were received for nearly 60 local organizations. On November 28, #GivingTuesday, five organizations were randomly selected to receive $1,000 each.

Infinity Visual and Performing Arts

“I’m thankful for the opportunity for kids in our city to be exposed to the arts. Infinity has fostered a love of music in my children. The instructors care about the kids, and the learning environment is awesome!” — Anonymous
“The Mental Health Association continues to help so many during this difficult epidemic. They are available 24/7 no matter who or when or where they are needed.” - Michelle T.

“Years ago, a local school district offered this after school program to students and I was the adult who accompanied the students. It was amazing to see students from the middle school, who struggled in school, ride, and handle horses and care for them. Claudia (and her staff) is an amazing person and I truly feel that this therapeutic program benefits so many and makes a great difference in the lives of many.” - Nancy L.

“The Humane Society is very caring and tries to give their animals to loving homes.” - Heidi M.

“This is an all-volunteer agency that gives its all to children in need in our area!” - Joan E.
The Chautauqua Region Community Foundation presented its 25th John D. Hamilton Community Service Award to Lakewood resident, Randall (Randy) J. Sweeney during a reception at the Chautauqua Suites on September 7.

For 20 years, Randy served as executive director of the Foundation, a position he retired from at the end of 2017. Prior to joining the Foundation, he worked his way up from bagging groceries to becoming vice president of sales at the former Quality Markets.

After graduating from Panama Central School, he became the first in his family to attend college, graduating from Jamestown Community College and continuing at SUNY Fredonia to earn his bachelor’s degree in Business Administration.

In addition to his work at the Foundation, Randy has volunteered his time at many local organizations including The Robert H. Jackson Center, Jamestown Renaissance Corporation, Rotary Club of Jamestown and Jamestown Church of Christ.

According to Bridget Johnson, John D. Hamilton Community Service Award Committee chair, it can be assumed that a person whose job description focuses on working with the community does so because it is a professional expectation. However, there is a difference between one’s vocation and passion.

“If you have a passion for going above and beyond because of a willingness to understand and help others, you have set yourself apart. Randy has set himself apart, joining others who, like him, exemplify the wisdom and integrity for which John Hamilton was recognized,” Bridget said.

The John D. Hamilton Community Service Award is presented annually to an individual, or group, whose dedication, leadership and support in furthering community spirit enhances the quality of life in the Chautauqua region.
Axel W. Carlson UNSUNG HERO AWARD

The Chautauqua Region Community Foundation honored Bob Crane, Joel Fisher, Doug Neal and Matt Oehlbeck during a reception in front of nearly 200 people at the Stanley Hose Company. While all four men have varying levels of involvement with the Stanley Hose Company, they were recognized individually for their contributions to the Sherman community.

Bob, nominated by his granddaughter, Danielle Crane, is a volunteer at the Stanley Hose Company and is an EMT, ALS and Rescue Captain. He is a chair holder on the Westfield Memorial Hospital Board of Directors and volunteers at the local food pantry when needed.

Joel, a science teacher at Sherman Central School, has volunteered with the Stanley Hose Company for 20 years. He has been a second assistant EMS, grant writer and currently serves as financial secretary of the organization. Through his grant writing efforts, Joel has secured over $250,000 for the company to purchase new equipment, take training courses and more. He also serves as a girls youth basketball and softball coach.

Doug is also involved with the EMS program at the Stanley Hose Company. In addition, he also volunteers for fundraisers, special events and activities at the company. A member of Sherman Community Church, Doug has lent his talents to help renovate and remodel the church building as well as provide maintenance to the Yorker Museum.

Last, but certainly not least, Matt has been a member of the company since he was 18 years old. Today, he serves as fire chief, a position he has held for the past 14 years. In addition to that, he is a member of the Chautauqua County Fire Advisory Board and Chautauqua County Chief’s Association.

For 32 years, the Axel W. Carlson “Unsung Hero” Award has been presented annually to residents of the southern Chautauqua region who have made significant contributions to their community through his or her efforts while neither receiving, nor expecting, reward or recognition.

*These members are lovingly remembered for their generosity

Those who remember the Foundation through a planned gift are invited to join in the Community Foundation’s Legacy Society. Too often, these gifts are unrecognized because they come at the end of the donors’ lives. The Legacy Society provides a way to recognize and thank donors during their lifetimes.

Legacy giving does not require a large income or vast estate. Legacy giving only requires a thoughtful intention to make a difference by identifying a charitable organization in your will or estate plan.
The Community Foundation is grateful for its dedicated group of volunteers who selflessly give of their time and talents to serve on scholarship, grants and other Foundation committees.
